filipeom

Experience

2021 – Present (December) **Researcher Assistant**, INESC-ID, Portugal

Topic Applying automated tools in Computer Science Courses.

Project INFOCOS: Intelligent Feedback for Content Students

Supervisor José Fragoso Santos

Education

2022 – Present (September) **Ph.D. in Computer Science and Engineering**, *Instituto Superior Técnico*, Portugal

Supervisors Profs. José Fragoso Santos (IST), Limin Jia (CMU), and Nuno Santos (IST)

2019 (September) – 2021 (December) **M.Sc. in Computer Science and Engineering**, *Instituto Superior Técnico*, Portugal, GPA: 17/20

Thesis Robust Symbolic Execution for WebAssembly

Supervisor Prof. José Fragoso Santos and Prof. Nuno Santos

Jury José Borbinha (DEI), José Fragoso (DEI), Mikoláš Janota (CIIRC)

2016 (September) – 2019 (July) **B.Sc. in Computer Science and Engineering**, *Instituto Superior Técnico*, Portugal, GPA: 16/20

Honors & Awards

2022 **CMU Portugal Affiliated Ph.D. Program Scholarship**

2020 **Academic Merit Diploma**, *Instituto Superior Técnico, Universidade de Lisboa*

2019 **Academic Merit Diploma**, *Instituto Superior Técnico, Universidade de Lisboa*

2018 **Academic Merit Diploma**, *Instituto Superior Técnico, Universidade de Lisboa*

Publications

KLEE'22 **Poster: Empirical Study on Applying Program Analysis and Testing Tools to Student Code**
F. Ramos, F. Marques*, P. Adão, N. Santos, and J. F. Santos.
In KLEE Workshop 2022

RV'22 **TestSelector: Automatic Test Suite Selection for Student Projects**
F. Marques*, A. Morgado, J. F. Santos, and M. Janota
In Proc. of Intl. Conf. on Runtime Verification. 2022.

ECOOP'22 **Concolic Execution for WebAssembly**
F. Marques*, J. F. Santos, N. Santos, and P. Adão.
In Proc. of European Conference on Object-Oriented Programming. 2022.

Other Skills

Programming Python, OCaml, C, C++, Java, JavaScript, WebAssembly, Haskell, Racket
Scripting Bash, Python, Perl (basic)
Linux CLI (intermediate), Revision Control Tools, Configuration Management Tools
Program Analysis Formal Verification, Symbolic Execution, Type Checking, Testing
Cyber Security Computer and network security. (intermediate)
Languages Portuguese (Native), English (Fluent)
